

## **Cruising Division . . .**

**For the boats that need to start before 10am** to reach the Whangaroa Harbour before 6pm, we have something special for you in January 2012.

**You take your own start time at the northern channel markers**, Waitangi and get yourself over the finish line in the Whangaroa Harbour before 6pm.

**A time will be chosen and placed in an envelope to be opened at Prize-giving. The boat that crosses the finish line the closest to this time will be the winner :)**
